DIFF GUARDS - BOLT ON

Give your vehicle some extra protection with a diff guard. These guards are simple to fit (no drilling) and have the added advantage of having the fill plugs accessible at all times.

DA3056/DA3057

TRANSMISSION GUARD

DA5625

DA5625

Reduce damage to your 90! Made from high-grade polished aluminum, this transmission guard protects your 90's gear box and cross members from snagging and reduces damage to your vehicle. Bolts on and is easy to fit and importantly it is also easy to remove when your vehicle needs servicing.

Fits pre-Td5 or can be fitted to Td5 with centre exhaust removed and pipe fitted.

Bolts on and is easy to fit
